## WELCOME

---

Congratulations on your choice to undertake a qualification with **Bega Garnbirringu Health Services Incorporation (BGHS) – Nindila Training Centre**

**Bega Garnbirringu Health Services Incorporation (BGHS)** has been set up to provide a health service in helping “sickness gets better” through a holistic approach in Clinical, Education and Prevention services.

Bega is the beginning of a long road to better management and control of our own lives. Controlling and managing health problems within our communities, minimising death rates and reducing health problems are our immediate goals. To do this we need more knowledge and understanding of the health issues faced by Aboriginal and Torres Strait Islander people.

**Nindila Training Centre** is the training arm of Bega and is therefore best placed and the most culturally appropriate provider of health-related training in the region. It is in fact the only Registered Training Organisation that provides Aboriginal and Torres Strait Islander (ATSI) Health Worker training within the Goldfields and surrounding areas, and has done so since 1996.

Nindila Training Centre is an important business unit of Bega Garnbirringu Health Service. It was established to ensure that AMS's have the capacity to deliver appropriate services to meet the needs of their communities.

The Bega Garnbirringu Health Services Board of Directors has endorsed three strategic training and development objectives for Nindila Training Centre. They are:

1. Increase the number of Aboriginal health professionals who possess qualifications relevant to the needs of clients serviced by Aboriginal Medical Services (AMS's)
2. To promote and protect the role of the Aboriginal Health Worker
3. Provide professional development opportunities to non-Aboriginal health professionals working with Aboriginal clients, families and communities.

**Our Vision is:** for the future is for a society in which Aboriginal and Torres Strait Islander people are not disadvantaged and share a quality of life with health standards and life expectancy equal to the non-Aboriginal and Torres Strait Islander community.

**Our Mission is:** the development and maintenance of a robust and diverse organisation that will provide sustainable, culturally appropriate and holistic health services to Aboriginal and Torres Strait Islander people.

The organisation will address the social determinants of health and provide for clinical, educational and preventative health services and the development and retention of the skilled workforce necessary to achieve its mission.

## UNIQUE STUDENT IDENTIFIER (USI)

---

A USI is required by all Australians undertaking nationally recognised training. It allows students to link to a secure online record of all qualifications gained regardless of the provider. This system was implemented by the Australian Government in 2015, so it will show student achievements from 1 January 2015 onwards.

A USI is a randomly-generated alpha-numeric code allocated free to each student who enters the Vocational Education and Training (VET) system. Once allocated, the USI will stay with the student for life and will be used to record any nationally recognised VET training undertaken by that student.

The Student Identifiers Act 2014 states that an RTO cannot issue certification documentation unless a verified Student Identifier is received. Therefore, it is mandatory that all students supply their USI upon enrolment.

If you do not have a USI, please visit <https://www.usi.gov.au/students/create-your-usi> for more information, and instructions on how to apply.

When Nindila Training Centre holds their Orientation Day laptops will be available to set up USI's, staff will also be available to assist or set up your USI and give you further information.

NOTE 2: Entitlement - in the context of this form means a Department of Human Services (Centrelink) or Department of Veterans' Affairs benefit, pension, payment or allowance

## WAIVING OF CHARGES

---

Where payment of the Student Contribution Fee would cause the Student severe financial hardship it is up to the discretion of Nindila Training Centre's Manager to waive the fees.

## Financial Hardship Assessment

---

The assessment of whether an applicant qualifies for a fee waiver is to be made on the basis of their individual circumstances and those of any dependent family members.

Subject to the exceptional circumstances outlined below, a fee waiver cannot be given unless **ALL** of the following criteria are met.

Where these criteria are not met, instalment plans are appropriate and extended payment periods may also be considered

### Criteria for Severe Financial Hardship

The student's income must not exceed the Department of Human Services income thresholds for the low-income health care card, as outlined below.

	Status	Weekly income	Total Income in the 8 Week Period Prior to Applying
1	Single, no children	\$546.00	\$4,368.00
	Couple combined, no children	\$943.00	\$7,544.00
	Single, one dependent child	\$943.00	\$7,544.00
	For each additional child, add	\$34.00	\$272.00

2 The student does not have the disposable income to pay the fees via instalments without compromising their ability to meet their basic living needs or those of their dependents.

3 There is no basis for concluding that the student's financial circumstances are likely to change within a reasonable period (e.g. 12 months).

### Supporting Documentary Evidence

The student must provide relevant supporting documentation to evidence their claim, including detailed evidence as to their financial circumstances. The nature of the evidence provided will depend on the individual circumstances of the student.

Example evidence for assessing income includes pay slips and bank statements. Example evidence for assessing outgoings includes tenancy agreements and utility bills

### Exceptional Circumstances

Short term hardship or temporary financial difficulty that arises from a sudden change in circumstances does not generally qualify a person for fee waiver consideration. Only in exceptional circumstances can a fee waiver be considered.

An exceptional circumstance is when one of the following events occurs, which compromises the student's ability to meet their essential living needs or those of their dependents.

- The student or family member has a sudden or unexpected health issue or disability.
- Death of a significant wage earner in the family.
- Relationship breakdown or domestic violence.
- Natural disaster.

---

## DURATION

---

How long your course will take depends on a number of factors. Included are your own efforts and commitment to submitting assessments regularly and on time, your study load (i.e. full- or part-time) and how many units (if any) are eligible for credit transfer and/or recognition of previous experience and qualifications. Further, the level of the qualification being undertaken will impact on course duration. The Australian Qualifications Framework (AQF) summarises the criteria of different qualification levels and gives an indication of the complexity, depth of achievement, knowledge, skills and levels of autonomy required to achieve a qualification at that level.

The AQF expresses the time expected to gain a qualification as an equivalent to full-time years. This is known as the 'Volume of Learning'.

## VOLUME OF LEARNING

Volume of Learning statements provide an indication of the amount of time it is expected that a student would need as a full-time student to achieve the qualification. Volume of Learning figures assume none of the competencies identified in a qualification are currently held.

The listed time frames account for **all activities** a student would undertake, including supervised training activities, classroom sessions, online modules and/or workplace learning, as well as individual study, practice and learning.

The Volume of Learning for qualifications in the VET sector are:

AQF Qualification Level	Typical Volume of Learning
Certificate I	0.5 - 1 year
Certificate II	0.5 - 1 year
Certificate III	1 - 2 years (up to 4 years for some apprenticeship/traineeship agreements)
Certificate IV	0.5 - 2 years
Diploma	1 - 2 years
Advanced Diploma	1.5 - 2 years

*(Taken from: <http://www.aqf.edu.au/aqf/in-detail/aqf-qualifications/>)*

More information on Volume of Learning can be accessed at:

<http://www.aqf.edu.au/wp-content/uploads/2013/06/Volume-of-learning-explanation-v2-2014.pdf>

## COMPETENCY BASED TRAINING

Competency Based Training (CBT) is an approach to teaching that focuses on allowing a student to demonstrate their ability to do something. Used in the VET sector, CBT is used to develop concrete skills and is typically based on a standard of performance expected in the workplace and industry.

CBT programs deliver qualifications that are made up of Units of Competency. Each unit defines the skills and knowledge required to effectively perform in the workplace. Assessment is based upon the learning outcomes expected from each Unit of Competency.

### How Does Assessment Work in CBT?

Unlike the traditional school system of grading assessments on a scale ranging from A to Fail, assessment of CBT determines if you have the required skills and knowledge... or not yet.

Assessment is specifically conducted to determine if a student can deliver essential outcomes related to the performance criteria within each Unit of Competency. Basically, this means assessment is conducted to see whether or not a student has the required skills and knowledge to perform effectively in the workplace. If a student's performance in the assessment does not demonstrate the requirements, rather than a fail, competency based assessment means the student is marked as 'Not Yet Competent', and more training is required to get to the point of being 'Competent'. Assessors will look for evidence against which to base their judgements of competency.

The ways to demonstrate to our qualified assessors that you can perform to the required standard and be classed as 'Competent' or 'Meeting Requirements', include:

- Being observed as you work/perform the tasks and activities
- Responses to verbal questioning
- Written responses to theory questions
- Responding to a role play or case study
- Conducting a project
- Submitting a written report
- Compiling a portfolio of work samples
- A combination of the above

**BGHS – Nindila Training Centre** has a Training and Assessment Strategy for each of the qualifications we deliver, and we outline our approaches for conducting assessment in those strategies.

---

## TRAINING AND ASSESSMENT STRATEGIES

---

**BGHS – Nindila Training Centre** staff are appropriately qualified and have sufficient, relevant industry experience to train and assess the courses delivered by **BGHS – Nindila Training Centre**. On occasion, a subject specialist may conduct assessment in conjunction with a fully qualified assessor. You will be advised of specific instances in your course whereby this may be the case.

Our methodologies regarding training and assessment work toward ensuring our processes meet national assessment principles including Recognition of Prior Learning (RPL), Recognition of Current Competencies (RCC) and Direct Credit Transfer (DCT). All courses are assessed under the competency-based training and assessment criteria established under the AQF.

---

### Flexible Learning and Assessment

---

Included in our training and assessment strategies are practices that promote flexibility in learning and assessment. This means we will work with you to provide options that are responsive to your individual needs, and that maximise learning outcomes and access to learning activities.

---

### Training Plans

---

In the case where your course of study calls for vocational placement, is part of a workplace traineeship, or part of an apprenticeship, a training plan will be developed for you. The plan will be developed between you, the placement/workplace organisation, and **BGHS – Nindila Training Centre**. It will outline the skills and knowledge you will develop over the duration of the training plan. The training plan becomes a 'living document' and any changes are agreed and noted by all involved parties.

## RECOGNITION PROCESSES

---

**BGHS – Nindila Training Centre** offers assessment processes that enable recognition of competencies currently held, regardless of how, when or where the learning occurred. These are detailed below:

---

### Recognition of Prior Learning

---

Recognition of Prior Learning (RPL) is an assessment process that involves making a judgment on the skills and knowledge an individual has as a result of past study and/or experience. The aim of RPL is to recognise your existing competencies without having to go through the complete processes of training and assessment. You will still need to provide evidence though, upon which your assessor can base their judgement. Evidence must be:

- Authentic – it must be your own work
- Sufficient – it must demonstrate competence over a period of time, that the competencies can be repeated, and the evidence must be enough so that the assessor can make an accurate judgement regarding competency
- Current – it must demonstrate up-to-date knowledge and skills i.e. from the present or the very-recent past
- Valid – it must be relevant to what is being assessed

You may be eligible to apply for RPL on one or more Units of Competency in your course. Please contact **[our administration department]** to discuss your options.

---

### Recognition of Current Competencies

---

Recognition of Current Competencies is a recognition process similar to RPL. It applies if a student has “...previously successfully completed the requirements for a unit of competency...and is now required to be reassessed to ensure the competence is being maintained”.

(Taken from: <http://www.skillsrecognition.net.au/key-terms>)

---

### Credit Transfer

---

**BGHS – Nindila Training Centre** recognises AQF qualifications and Statements of Attainment that have been issued by other RTOs. Credit transfer may be applied to Units of Competency and related qualifications that have been studied in the past. To apply for a direct credit transfer you will need to supply a certified copy your documentation (certificates and/or statements). For full details on the requirements for credit transfer applications, please contact **our administration department** on **08 9022 5523**

---

## FOUNDATION SKILLS

---

All training and assessment delivered by **BGHS – Nindila Training Centre** contain Foundation Skills. Foundation Skills are a mandatory component of Units of Competency.

They are non-technical skills that support participation in the workplace, the community, and adult education and training. Examples of Foundation Skills include things such as communication skills, literacy skills (reading, writing and numeracy), interacting with others, and skills to effectively participate in the workplace such as teamwork, problem solving, and self- and time-management.

---

## ASSESSMENT INFORMATION

---

The assessments for each unit of this qualification use a national, industry or organisational standard to benchmark the performance of the candidate. To complete the qualification requirements safely and effectively, the individual must provide evidence of the essential knowledge and ability to complete tasks outlined in the elements and performance criteria of each of the units in this qualification. Candidates must also show evidence of the ability to manage tasks and contingencies in the context of the job role. There must be demonstrated evidence that the candidate has completed the outlined tasks at least once in line with state/territory WHS regulations, relevant codes of practice and workplace procedures. The performance and knowledge criteria for each individual unit of this qualification will be reviewed at the commencement of each unit.

## SUBMITTING ASSESSMENTS

---

You are expected to complete assessments for all units in your qualification. You will need to submit assessments by the due date for a result to be recorded. You will receive full and detailed instructions on the requirements for each assessment, including its context and purpose; ensure you talk to your trainer and/or assessor to clarify anything that is not clear to you.

---

### Resubmissions

---

If you receive feedback to say your submission was 'Not Yet Competent', you will need to provide more evidence to support your claim for competency. This may mean re-doing some of the theory questions, putting extra or more relevant information into your portfolio, or demonstrating a task again. **BGHS – Nindila Training Centre** does not charge a fee for resubmission of assessments. If, after **three (3)** attempts of resubmissions your work is still 'Not Yet Competent', you will be required to re-enrol in, and re-do the work for the unit, in order to achieve the full qualification.

Talk to **our administration department** for more information.

All of the staff at **BGHS – Nindila Training Centre** will take every reasonable effort to help you succeed in your course.

---

## ASSESSMENT IN THE WORKPLACE

---

As part of your assessment, Nindila may need to collect evidence of your competence from your workplace. You will be informed at the start of training if this will apply to the unit / qualification you are enrolled in. If you do not wish to have your workplace supervisor or management involved in your assessment, please discuss the matter with your trainer. For candidates on a Traineeship program observation must be conducted in paid time. Workplace Supervisors need time to conduct the observations. Workplace observation is part of the essential process of supervising, supporting, developing and mentoring of direct care staff. Workplace observations are conducted in the Workplace Supervisor work time. It is an expectation of professional conduct when an observation is in progress, neither the Supervisor/buddy nor candidate will be interrupted.

If students are not currently within the Health Service Industry, Nindila will assist student with Practical placement where possible.

Currently Practical components are conducted at various locations including:

- Bega Garnbirringu Health Service Clinic
- Bega Garnbirringu Health Service – Social Support Unit

---

## ASSESSMENT FEEDBACK

---

You will receive feedback regarding the outcome of each of your assessment items. To be deemed 'Competent' against a nationally accredited unit, you must meet the requirements for all elements that comprise that unit.

---

## PLAGIARISM

---

All work that you submit must be your own. You will have signed a declaration at the start of each assessment that this will be the case.

Plagiarism is taking someone else's work and/or ideas and passing them off as your own. It is a form of cheating and is taken seriously by **BGHS – Nindila Training Centre**. To help you understand, the following are examples that constitute plagiarism:

- Copying sections of text and not acknowledging where the information has come from

- Presenting work that was done as part of a group as your own
- Using information (pictures, text, designs, ideas etc.) and not citing the original author(s)
- Unintentionally failing to cite where information has come from

---

## ISSUANCE OF CERTIFICATES

---

***The Standards for Registered Training Organisations (RTOs) 2015 (Standard 3.1) requires that:***

“The RTO issues AQF certification documentation only to a learner whom it has assessed as meeting the requirements of the training product as specified in the relevant training package or VET accredited course.”

Further, the AQF Qualifications Issuance Policy 2013 (2.1.1) states that graduates who have completed a program of learning which leads to a qualification are entitled to receive the certification documentation.

As per Schedule 5 of the Standards for Registered Training Organisations (RTOs) 2015, Bega’s certification documentation meets the requirements of the AQF for issuing AQF qualifications and statements of attainment.

This requirement of the Standards, and the entitlement granted by the AQF, applies regardless of where funding is sourced for the training. The student (employee) is the rightful owner of and recipient of the certificate, not the employer, regardless of whether or not the employee paid for the training.

If an employer engages a provider to deliver training and/or assessment to its employees, it is the employee who undergoes the assessment process. Therefore, the employee is the person whom the provider has ‘assessed as competent’.

Consequently, the provider (RTO) MUST issue the qualification or statement of attainment to the employee (not the employer). The original certificate is sent directly to the student and a copy to the employer.

In accordance with AQF Qualifications Issuance Policy 2013 (2.1.1), Bega will NOT issue certification documentation to students, unless the student has completed the training. Bega, as per the stipulations of Standard 3.3, will not issue certification documentation until full payment of all related fees has been received.

Bega will NOT issue any form of interim certification including but not limited to; record of attendance, interim licensing or certificates of completion.

The date displayed on testamurs, statements of attainment, record of results and statements of completion will be the date of completion of the qualification; the date the student is as “assessed as competent”.

The date of issue will be displayed in the lower left corner of the certification.

The statement “if relevant, statement regarding use of non- English languages for delivery/assessment” is not applicable to Bega and will not appear on any certification documents.

Date of birth and individual student identification numbers will not appear on Bega testamurs, statements of attainment, record of results or statements of completion.

A testamur and record of results will be issued after successful completion of an AQF recognised qualification. A statement of attainment is issued after a student successfully completes one or more units of competency.

Statements of Attainment will not be issued for a qualification.

Upon confirmation of a student meeting the requirements of training and all financial obligations, certification will be issued to the student, within 30 calendar days.

---

## RE-ISSUING OF CERTIFICATES

---

All requests for the re-issuing of certificates or cards must be made in writing. There is a fee for this service. Please contact us to receive appropriate form.

You will be required to provide identification when making this request. There may be delays in producing certificates as they cannot be generated automatically.
