DISPENSING MEDICATIONS

On advice from the Minister for Health, The Hon Greg Hunt MP, and the Pharmacy Guild of Australia, Bega Garnbirringu Health Service (Bega) will enforce new limits on dispensing prescription medicines.

As of today, **Friday 20/03/2020**, the Bega dispensary will **ONLY** dispense:

- ONE (1) months supply of medication/s; and
- medications from a Bega GP.

Bega understands the frustrations, stress, anxiety, concerns COVID-19 is causing our clients, families and the broader community, however, these limitations should assist everyone in the coming months.

Thank you for your patience and support as we rise to the challenge of these extraordinary times.
