VISION STATEMENT

Bega Garnbirringu Health Services vision for the future is for a society in which Aboriginal and Torres Strait Islander people are not disadvantaged and share a quality of life with health standards and life expectancy equal to the non-Aboriginal and Torres Strait Islander community.

MISSION STATEMENT

Bega Garnbirringu Health Service's mission include the development and maintenance of a robust and diverse organisation that will provide sustainable, culturally appropriate and holistic health services to the Aboriginal and Torres Strait Islander people.

Bega Garnbirringu Health Service will address the social determinants of health and provide for clinical, educational and preventative health services and the development and retention of the skilled workforce necessary to achieve its mission.

ABOUT BEGA

Bega Garnbirringu Health Services (Bega) approaches health service delivery from a holistic perspective. This means that Bega seeks to close the gap in health outcomes for Aboriginal people through a multi-faceted approach that includes a high level of attention to the social determinants of health as well as clinical and primary health.

In order for this approach to be effective it is essential that all staff view their role through the eyes of the client and from a whole of organisation perspective. To this end it is essential that all employees be team oriented and prepared to work cooperatively in a multi-disciplinary environment. All employees must abide by their contract of employment and code of conduct and apply themselves to their duties with professionalism, integrity, ethical practice and with diligence.

The organisation has a strong commitment to the provision of services that are culturally appropriate and safe for Aboriginal clients.
